

Burrito's

ground meat
taco seasoning
large (flour tortilla's)
ground jalapeno's
2 cans Pasaleta refried beans
chopped onions, green onions, bell peppers
shredded cheddar cheese

Cook meat very good with all veggies and seasonings. Cook until all meat is brown and broken up fine. Have grease on very low and fry tortilla's first, ~~to~~ pat dry. spread beans, meat, and then jalapeno's. Then add cheese.

fold corners in first and then start rolling. wrap each one separately in tin foil and place in oven to warm.

after wrapped in tin foil - you can place in large freezer bags and freeze them until ready to eat.
